PPO Plan Participation Analysis and Action Plan

Should your dental practice participate in PPO plans? If you do already, how can you tell if you are making or losing money? We can help you with our PPO Analysis. Includes: Comprehensive fee schedule review, practice analysis and evaluation of services performed, overhead data and time utilization, three forty-five minute individualized telephone consultations

Starting at \$1,275

Effective Documenting, Coding and Billing in the Dental Practice

Accurate coding begins and ends in the clinical operator — not the front desk. From the patient's first radiograph to the successful conclusion of their evaluation visit — appropriate coding is one of the critical keys to successful and stress-free reimbursement Includes: Documentation process created to build upon your existing administrative and clinical systems, customized course of action, coding and claims submission manual, two forty-five minute phone consultations.

Starting at \$ 625
